

Security Instructions

Security Phone Internal: 7000 / 5614 |
External: 04-6375614

Suspicious Object: Report to Security immediately. Try to identify the owner among those nearby, while keeping people away. Keep the object in sight until security arrives.

Missing Patient: Try to contact the patient by phone, notify the nurse in charge, contact Security and provide a description. Search the ward and surrounding areas.

Suspicious Mail: Alert staff on site. Place the item in an empty room, lock the door, and report to Security immediately.

Suspicious Person: Report to Security immediately and provide a description: clothing, height, appearance, approximate age, etc.
